## **ABOUT THE INSTITUTION**

Vasavi College of Engineering (VCE) was founded in 1981 by the Vasavi Academy of Education. It is located at Ibrahimbagh, Hyderabad, which is 9 km from Mehdiapatnam, en route to Gandipet. With dedicated efforts for over 30 years, Vasavi College of Engineering has emerged as a reputed centre of learning in engineering education and is currently offering 7 UG and 5 PG programmes. All programmes viz. Civil, Mechanical, ECE and CSE and the MCA were accredited by the National Board of Accreditation in the year 2002. The college is supported by about 380 staff members including Professors, Associate Professors, Assistant Professors and supporting staff. Besides, the College offers consultancy in various fields of Engineering.

## **ABOUT OUR DEPARTMENT**

The department has 21 members of faculty and 15 members of supporting staff. The areas of teaching expertise of the faculty include various specializations of Civil Engineering i.e. Structural Engineering, Geotechnical Engineering, Water Resources Engineering, Transportation Engineering, Environmental Engineering and Engineering Geology.

The Department has 9 full-fledged Civil Engineering laboratories in addition to a Centre for Geomatics. The Department also has in its gamut an exclusive computing facility with the latest software in Design, Planning and Management, Remote Sensing, GIS, Land & Water Management etc. The Department is also undertaking consultancy work in order to promote Industry – Institute Interaction.

The Department had organised two international conferences on advances in concrete and construction in the past in collaboration with South Dakota School of Mines and Technology, USA, RMIT University, Australia, Osmania University and JNT University, Hyderabad.

## **OBJECTIVES OF THE CONFERENCE**

The main objective of the conference is to bring together different researchers from all over the country, including professionals and scientists from R&D, educational institutions and construction industry to a common platform for exchange of ideas and to share their research findings and experience. The themes of the conference have been selected accordingly.

## **CONFERENCE THEMES**

The themes of the conference include recent advances in the following areas of Civil Engineering:

- Concrete and Construction
- Structural Mechanics
- Transportation Engineering
- Geotechnical Engineering
- Environmental Engineering
- Water Resources Engineering

## **GUIDELINES TO AUTHORS**

Papers not exceeding 10 pages have to be sent to the email address [ncace2012@gmail.com](mailto:ncace2012@gmail.com). A template of the conference paper is posted on the college website at <http://www.vce.ac.in>. Authors are requested to download the template and prepare the paper accordingly. All papers are subject to a review process by the technical committee. Only those papers accepted after review shall be included in the proceedings.

## **IMPORTANT DATES**

**Deadline for submission of papers: 7-4-2012**  
**Intimation of acceptance of papers: 13-4-2012**

## **ACCOMODATION**

Participants attending the conference have to make their own arrangements for travel and stay. However, information regarding hotels and tariff can be obtained by the Convener/Co-convener.
