

# Learning through Google classroom

Course Name: Electronic circuits, AY: 2019-20, Sem: IV

**Topic:** Feedback amplifiers and Oscillators

**Goal:** Google Classroom is a free web service that aims to simplify creating, distributing, and grading assignments. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students

# 1. Assignments:

The screenshot shows the 'Assignments' tab in Google Classroom. At the top, there are navigation tabs for 'Stream', 'Classwork', 'People', and 'Grades'. Below these, there are buttons for '+ Create', 'Google Calendar', and 'Class Drive folder'. A list of assignments is displayed, all due on May 24, 2020, at 5:00 PM. The assignments are: Assignment-III(Set-5), Assignment-III(Set-4), Assignment-III(set-3), Assignment-III(Set-2), and Assignment-III(Set-1).

# 2.Grading

The screenshot shows the 'Grades' tab in Google Classroom. It displays a table of student grades for various assignments. The table has columns for the assignment name and the score. The 'Class average' row shows scores of 4.69, 3.85, 5, 4.67, 5, and 3.69. Individual student scores are shown as 'Not assigned' or 'Not turned in'.
