

VASAVI COLLEGE OF ENGINEERING(AUTONOMOUS),HYDERABAD-31

DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES

Date : 4.6.2015

BoS MoM – 30 May 2015

Welcoming the BoS Members:

The Chairman, Dr Jacqueline Amaral cordially welcomed the BoS members for the meeting and informed them that Dr Karunakar and Dr Sumita Roy expressed their inability to attend due to prior commitments.

Purpose of the BoS Meeting:

The Chairman declared that the purpose of the meeting was to discuss and approve the

1. Increase in the number of credits of English for BE ¼ from two to three.
2. Syllabus for the Finishing School of BE 2/4 with two credits.

Discussion on increasing the number of Credits for BE ¼:

The Chairman brought out that English is taught for three hours every week which is at par with the other service subjects. In addition, ELT lab is conducted for three hours where rigorous training is being imparted in developing students listening, speaking and reading skills and pronunciation. Continuous and comprehensive assessment is done through quizzes, assignments and presentations. This training plays a significant part in preparing the students for placements and also for their life in the industry. In other words, the students' technical skills are expressed and brought to fruition through their language and soft skills.

Considering the importance of English as explained by the Chairman and the efforts being put in by the faculty and the students, the Board unanimously approved the increase in the number of credits in English for BE ¼ from two to three.

Discussion on the syllabus for BE 2/4 Finishing School:

The Chairman informed the Board that presently the Finishing School for BE 2/4 and ¾ has been outsourced to a private agency whose faculty does the teaching but not evaluation. It has also been noticed that their syllabus does not cover all the four language skills to the desired level. She conveyed the desire of the Management to involve the English faculty in the preparation of worksheets and question papers and framing suitable evaluation criteria.

The Chairman requested for inputs from the experts on the modalities for teaching and evaluation. She also requested their help in designing suitable materials for the Finishing School. She then circulated a new syllabus framed by the English department to the Board members for their perusal, comments and approval.

The Principal, Dr G V Ramana Murthy explained to the Board that the purpose of the Finishing School for BE 2/4 and ¾ students was to prepare them thoroughly for placements. The Finishing School curriculum has two parts - **Part A** containing Life Skills which will be taken up by the English department and **Part B** containing technical skills which will be handled by the technical
