

Amway AppPlayground -Kony Inc. & Amway hackathon

Kony Inc.& Amway, jointly hosted the first-ever hackathon “**Amway AppPlayground**” for the students of Vasavi College of Engineering, Hyderabad. With an aim to harness the creativity of students to promote digital innovations and provide hands-on application development experience, the three-days long hackathon started **July 19, 2018 and ended on July 21, 2018**.

As part of the initiative, the students were introduced to the technology ecosystem and given an overview of the direct selling industry. Participants were provided with free access and in-person training on Kony’s Visualizer for visual design and development of Apps.

The following students from the department of Information technology participated in the hackathon:

Team	S.No.	Photo	Hall Ticket Number	Student Name	Prize	Details
Felix	1		1602-15-737-096	Santhosh Sai Teja K	1st Prize	MacBook Pro for each of the team member
	2		1602-15-737-075	Lakshmi Pravalika V		
	3		1602-15-737-110	Sushma Badam		
	4		1602-15-737-090	Sai TejaBera		
Outliers	1		1602-15-737-001	AbhijithChandra M	3rd Prize	Bluetooth Speakers for each of the team members
	2		1602-15-737-068	HarithaVempale		
	3		1602-15-737-031	PavithraChintala		
	4		1602-15-737-047	SravyaVallapureddy		
Amnivores	1		1602-15-737-002	AbishekVanam	-	Amway Gift hampers
	2		1602-15-737-026	NikithaKantareddy		
	3		1602-15-737-036	SahithiTamma		
	4		1602-15-737-045	B. Shubham Singh		

Cognizant Master Code (National level Coding Challenge and Hackathon)

Master Code is a **national level Coding Challenge and Hackathon** organized by **Cognizant** held during **August 2018**. The following students from the department of Information Technology participated in the contest and **won 2nd prize** at the national level. They won prize money of INR 2 Lakh.

S.No.	Photo	Hall Ticket Number	Student Name	Cash Prize
1		1602-15-737-002	Abishek Vanam	INR 45, 866
2		1602-15-737-045	B. Shubham Singh	INR 45, 867
3		1602-15-737-098	Shishir Halaharvi	INR 45, 867

Smart Rice Hackathon

The **ICAR-Indian Institute of Rice Research** organized the “**Smart Rice Hackathon - 2019** (24 hours - continuous)” from **9th to 10th February - 2019**. The Hackathon was organized on the occasion of National Science Day.

The First 24 hours Hackathon organized by ICAR involved local engineering college students to develop the IT-based solutions for farmers by using Artificial Intelligence. The problem statement was “**Mobile based AI module for Rice pest detection**”.

Subject matter experts from Entomology, Pathology, Physiology and agronomy acted as internal mentors and evaluators during the Hackathon and The Computer Scientists acted as external mentors and evaluators for the hackathon. During the event, an interactive session with the students, mentors, subject matter experts was also organized.

The following students from the department of Information Technology participated and won consolation prize.

S.No.	Photo	Hall Ticket Number	Student Name	Prize
1		1602-16-737-095	K. Sai Charan	Consolation prize
2		1602-16-737-081	Lokesh Kumar	Consolation prize

3		1602-16-737-104	K. Shiva Kumar	Consolation prize
4		1602-16-737-117	T. Varun Teja	Consolation prize

Texas Instruments DrishTI

Texas Instruments, India has conducted multiple online contests as part of TI University program- DrishTI during **July 2019**

The following student from the department of **Information technology** has participated in the multiple contests:

S.No.	Photo	Hall Ticket Number	Student Name	Contest	Prize
1		1602-17-737-020	Md. Waheeduddin Farooqui Junaid	TIVA	First
2				Analog	Third
