Minutes:

1. The Chairman of BOS Dr. P. Hemagiri Rao, welcomed all the members and thanked for accepting to be part of the meeting. He then presented a brief profile of the college and the department and then mentioned the agenda for the meeting.
2. The BOS Chairman presented the Course Structure and Scheme of Examination of MCA I and II Years, and MCA I Year for the admitted batches in the years 2016-17 and 2017-18 respectively for which the 5th BOS members given approval. He also briefed the members about the CBCS scheme and the different categories of courses offered under CBCS.
3. The Chairman then initiated the discussion by requesting the members to discuss about the proposed course curriculum of MCA III Year for the batch admitted in the year 2016-2017.
4. The OU nominee Dr. Salman Abdul Moiz along with the other members discussed extensively about the Course Structure. He looked at the proposed electives to be offered to the students in detail and expressed his satisfaction.
5. The BOS Chairman asked the members to discuss about the proposed Course Structure and Curriculum of MCA II Year and MCA III Year for the students admitted in 2017-2018.
6. The External BOS members participated very actively in the discussion and they asked the faculty about the practices being followed while covering certain topics in the class rooms.
7. Dr.Salman Abdul Moiz suggested that certain libraries may be included as part of the curriculum in Python part of the NPSL course.

Dr. Salman Abdul Moiz
Associate Professor,
Dept. of Computer and Information Sciences,
University of Hyderabad.

Mr. T. Seshaphani Babu
Group Project Manager Infosys,

Mr. Sanjay Inamdar
Sr. Project Manager,

Dr. Rajeev Wankar
Professor,
Dept. of Computer and Information Sciences,
University of Hyderabad.

Dr. P. Hemagiri Rao
Chairman & Head

8. Dr.Salman also shared certain good practices that they follow at University of Hyderabad. He mentioned that the same may be adapted, to the extent feasible, in our department as well.
9. All the members felt that Agile methodology should be focussed on during the last semester Project Work of the students, since most of the companies today are making use of Agile methodology for the development process.
10. The Chairman mentioned that all the suggestions given by the members would be considered and implemented to the extent possible.
11. The Chairman thanked all the members for their active participation in the discussion and for their valuable inputs in finalising the agenda points.
