

Vasavi College of Engineering (Autonomous), Hyderabad-500031

Department of Mechanical Engineering

OUTREACH PROGRAM

The department of Mechanical Engineering conducted an Outreach Programme for 32 students of Government Polytechnic Masab tank, Hyderabad from 19th to 25th January, 2023. The students were trained on advanced CAD/CAM related Software. Hands on experience was gained by the students in 2-D and 3-D modelling. Also, fundamentals of analysis were covered. CAM simulation was taught for the students, and they were exposed to 3-D printing and LASER scanning. The students went back with a rich experience in CAD/CAM area.
