

# YEARLY STATUS REPORT - 2022-2023

## Part A

### Data of the Institution

#### 1.Name of the Institution

Vasavi College of Engineering  
(Autonomous)

- Name of the Head of the institution **Prof. Dr. S. V. Ramana**
- Designation **Principal**
- Does the institution function from its own campus? **Yes**
- Phone No. of the Principal **04023146002**
- Alternate phone No. **06281979737**
- Mobile No. (Principal) **09848044843**
- Registered e-mail ID (Principal) **principal@staff.vce.ac.in**
- Address **Door No. 9-5-81, Near Taramathi Baradari, IBRAHIMBAGH, Hyderabad - 500031**
- City/Town **Hyderabad**
- State/UT **Telangana**
- Pin Code **500031**

#### 2.Institutional status

- Autonomous Status (Provide the date of conferment of Autonomy) **19/06/2014**
- Type of Institution **Co-education**
- Location **Urban**

- Financial Status **Self-financing**
- Name of the IQAC Co-ordinator/Director **Prof. A.S.Sai Prasad**
- Phone No. **04023146099**
- Mobile No: **09959418896**
- IQAC e-mail ID **iqac@staff.vce.ac.in**

**3.Website address (Web link of the AQAR (Previous Academic Year))** [https://vce.ac.in/IQAC/downloads/AQAR\\_2021-2022.pdf](https://vce.ac.in/IQAC/downloads/AQAR_2021-2022.pdf)

**4.Was the Academic Calendar prepared for that year?** **Yes**

- if yes, whether it is uploaded in the Institutional website Web link: <https://vce.ac.in/Academics/Downloads/Almanac/2023-24/ALMANAC-BE-2023-24.pdf>

### 5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
<b>Cycle 1</b>	<b>A++</b>	<b>3.51</b>	<b>2021</b>	<b>02/02/2021</b>	<b>01/02/2026</b>

**6.Date of Establishment of IQAC** **08/10/2015**

**7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?**

Institution/ Department/Faculty/School	Scheme	Funding Agency	Year of Award with Duration	Amount
<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>

**8.Provide details regarding the composition of the IQAC:**

- Upload the latest notification regarding the composition of the IQAC by the HEI [View File](#)

**9.No. of IQAC meetings held during the year** **4**

- Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website? **Yes**

- If No, please upload the minutes of the meeting(s) and Action Taken Report **No File Uploaded**

**10. Did IQAC receive funding from any funding agency to support its activities during the year?** **No**

- If yes, mention the amount

**11. Significant contributions made by IQAC during the current year (maximum five bullets)**

1. Introduced Best Theme Based Project Awards for B.E VI Semester students in the Academic Year 2022-23. 2. Revised the Incentive Policy to the Faculty for R&D Publications. 3. Revised curriculum for technical skills to enhance placement opportunities. 4. Conducted a workshop on "Time Management". 5. Introduced Inter-Disciplinary projects for B.E VIII Semester students. 6. Submitted SAR for NBA for IT Program under tier I. 7. Conducted one day workshop on Innovative Methods of Assessment and Evaluation.

**12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:**

Plan of Action	Achievements/Outcomes
To encourage the innovativeness among the students through theme based projects.	Best theme based project awards are given for the innovative and creative projects.
To revise the incentive policy for faculty to enhance the R&D publications.	Significant improvement is achieved in the Scopus/SCI indexed publications.
To revise the curriculum for technical skills.	No. of placements and average pay package have been significantly increased.
To submit NBA SAR under tier I for IT program	IT department is accredited by NBA under tier I for 3 years.
To enable the students towards inter-disciplinary projects.	Inter-Disciplinary projects are introduced for B.E VIII Semester students.
To conduct workshops for faculty to strengthen teaching learning.	One day workshops were conducted on time management and Innovative Methods of Assessment and Evaluation.

**13. Was the AQAR placed before the statutory body?** Yes

- Name of the statutory body

Name of the statutory body	Date of meeting(s)
Board of Governors	10/02/2024

**14. Was the institutional data submitted to AISHE ?** Yes

- Year

2022-23	22/01/2024
<b>15. Multidisciplinary / interdisciplinary</b>	

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

College has introduced multidisciplinary/interdisciplinary courses for the students through open elective courses and projects.

However, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

#### **16.Academic bank of credits (ABC):**

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

In this regard, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

#### **17.Skill development:**

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

The Institution provides well-structured skill training programs for students of all branches of B.E, and M.E./M.Tech, beginning from their initial semesters itself, which helps them learn progressively.

English language and communication skill course is part of the curriculum, in I and II Semesters. Additionally, the students

also undergo 56 hours of training in III Semester and 56 hours of training in IV semester, to enhance the LSRW skills (Listening, Speaking, Reading and Writing).

Furthermore, during the V and VI semesters, training is imparted on soft-skills such as Quantitative, Logical, Aptitude, Verbal, Reasoning to mention a few.

The Institution also started Technical Skills Training programs and embedded it into the curriculum, for the students.

The CRT (Campus Recruitment Training) program is conducted for the students during the summer vacation between VI and VII semesters. This program includes 140 hours of training in communication and aptitude skills.

However, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

In this regard, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

The Institute adopted Outcome Based Education (OBE) to impart

education through student centric approach and follow outcome oriented teaching learning process. Course Outcomes, Program Outcomes and Program Specific Outcomes are the key components of OBE.

CO Attainment is computed using Continuous Internal Evaluation (CIE- Internal examinations, Assignments, Quiz) and Semester End Examinations (SEE).

Questions given in the various assessment tools are mapped to corresponding COs as indicated in the question paper. Every course must set the CO attainment levels using the set threshold. Three attainment levels are defined as

Level3:  $\geq 60\%$  students scoring  $\geq 60\%$  marks

Level2:  $\geq 50\%$  to  $\leq 60\%$  marks

Level1:  $\leq 60\%$  marks

The process of evaluating CO and PO attainment has been revised from the batch of students admitted in 2021-22 Academic year. In addition to the direct assessment tools (SEE, CIE), Course End Survey is also considered as indirect assessment tool to compute CO attainment.

Direct CO Attainment = 30% of Internal Examination + 5% of Assignments + 5% of Quizzes + 60% of SEE

Overall CO attainment = 80% Direct CO attainment + 20% Indirect CO attainment through course end survey

PO & PSO attainment computation is done using direct & indirect assessment tools.

CIE, SEE, Rubrics for projects and seminars are the direct assessment tools. The COs are mapped to the POs and PSOs on the scale of 1 to 3. CO attainments and CO-PO, CO-PSO mappings are used to compute PO & PSO attainment.

Student Exit Survey, Alumni Survey, Employer Survey, Parent Survey, Extra-Curricular-Activities and Co-curricular-Activities are indirect assessment tools. The questions in the surveys are mapped to POs and PSOs on the scale of 1 to 3. The responses and the mappings are used to compute indirect attainment of PO & PSO. PO & PSO attainment = 80% direct attainment + 20% indirect attainment.

However, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

## 20.Distance education/online education:

National Education Policy (NEP) -2020 focuses on key reforms in higher education that prepare the next generation to thrive and compete in the new digital age and focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability - to ensure continual learning. It also focuses on interdisciplinary and multidisciplinary academic programs.

The college has made it mandatory for the students to pursue a 8 - week NPTEL SWAYAM course to become eligible for the award of the degree besides providing the facility for credit transfer against NPTEL SWAYAM courses in lieu of certain professional elective courses during VII semester. Further, the classwork for B.E. VIII and ME/M.Tech III semester is being conducted through online mode with effect from the academic year 2021-22 for facilitating the students to do internship/project outside the college.

However, the college is awaiting guidelines on the implementation of NEP, from the affiliating University i.e. Osmania University and the Government of Telangana . The college will follow the guidelines, as and when issued by the Osmania University and the state government.

## Extended Profile

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The curricula for the seven undergraduate engineering programs are based on the guidelines of AICTE and in tune with the vision and mission of the Institution. To produce competent engineers and to meet the needs of industries like infrastructural development, manufacturing, information technology etc., the curriculum is developed with relevance to POs and PSOs. The curriculum consists of Humanities, Basic and Engineering Sciences, Professional Core subjects, Open and Professional Electives, Skill Development courses, Theme Based Projects,

Laboratory work and Project work. Students work as interns in industry on projects. The honours degree is offered to ECE, Mechanical and Information Technology undergraduate students who meet higher academic standards.. Mini projects and paper presentations enhance their conceptual knowledge communication and technical skills.

Training in Soft skills and technical skills ensures life skills and better employability. To promote self-learning, students should pass one online certification examination.

The Five postgraduate engineering programs are designed with advanced core and elective courses with a focus on laboratory and research work. All of the aforementioned aspects are also covered in the curriculum of postgraduate courses.

Improved employability, placements, and admission to higher education institutions in India and abroad are indicators of the success of the curriculum.

Link for additional information	<a href="https://vce.ac.in/Downloads/UGC/UGC_Approvals.pdf">https://vce.ac.in/Downloads/UGC/UGC_Approvals.pdf</a>

### 1.1.2 - Number of Programmes where syllabus revision was carried out during the year

8

File Description	Documents
Minutes of relevant Academic Council/BOS meeting	<a href="#">View File</a>
Details of syllabus revision during the year	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>

### 1.1.3 - Number of courses focusing on employability/entrepreneurship/ skill development offered by the Institution during the year

687

File Description	Documents
Curriculum / Syllabus of such courses	<a href="#">View File</a>
Minutes of the Boards of Studies/ Academic Council meetings with approval for these courses	<a href="#">View File</a>
MoUs with relevant organizations for these courses, if any	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>

## 1.2 - Academic Flexibility

### 1.2.1 - Number of new courses introduced across all programmes offered during the year

115

File Description	Documents
Minutes of relevant Academic Council/BoS meetings	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>
Institutional data in prescribed format (Data Template)	<a href="#">View File</a>

### 1.2.2 - Number of Programmes offered through Choice Based Credit System (CBCS)/Elective Course System

12

File Description	Documents
Minutes of relevant Academic Council/BoS meetings	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>
List of Add on /Certificate programs (Data Template)	<a href="#">View File</a>

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

**In tune with its Vision, the college has introduced courses,**

namely, Human values and Professional Ethics, Environmental Science for all engineering programmes to address issues such as Gender Equality, Environment and Sustainability, and Human Values and Ethics.

#### Environment and Sustainability

It is a mandatory interdisciplinary course for all U.G. programs, instilling an awareness of environmental and social issues.

Open Elective courses on the environment and its protection are offered to sensitize the students on issues related to conservation and sustainability. They include Spatial Information Technology in Geographical Information Systems, Disaster Management, Green Buildings, Non-conventional Energy Sources and Solar Power and Applications.

Under NSS Activity, the students are encouraged to participate in Haritha Haram (tree plantation), Swacch Bharat Abhiyan, Awareness of Renewable Energy Sources, and water conservation in nearby villages.

#### Gender Sensitization

Human values and professional ethics is offered as two courses for all B. E programs. These courses emphasize a holistic understanding of ethical human conduct. They also include issues related to the dignity of women at home and in the workplace. Discussions, debates, and guest lectures pertaining to gender sensitization are organized. An exclusive committee of women faculty and female students is functioning related to gender equality issues.

File Description	Documents
Upload the list and description of the courses which address issues related to Gender, Environment and Sustainability, Human Values and Professional Ethics in the curriculum	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>

### 1.3.2 - Number of value-added courses for imparting transferable and life skills offered

**during the year****14**

File Description	Documents
List of value-added courses	<a href="#">View File</a>
Brochure or any other document relating to value-added courses	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>

**1.3.3 - Number of students enrolled in the courses under 1.3.2 above****1288**

File Description	Documents
List of students enrolled	<a href="#">View File</a>
Any additional information	<a href="#">View File</a>

**1.3.4 - Number of students undertaking field work/projects/ internships / student projects****1818**

### TEACHING-LEARNING AND EVALUATION

#### 2.1 - Student Enrollment and Profile

##### 2.1.1 - Enrolment of Students

##### 2.1.1.1 - Number of students admitted (year-wise) during the year

869

File Description	Documents
Any additional information	<a href="#">View File</a>
Institutional data in prescribed format	<a href="#">View File</a>

##### 2.1.2 - Number of seats filled against reserved categories (SC, ST, OBC, Divyangjan, etc.) as per the reservation policy during the year (exclusive of supernumerary seats)

365

File Description	Documents
Any additional information	<a href="#">View File</a>
Number of seats filled against seats reserved (Data Template)	<a href="#">View File</a>

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The students admitted into this institution are from diverse backgrounds, with different levels of knowledge and skills, and hence, their learning needs. After four weeks of class work commencement, for first semester students, a pre-assessment test is conducted to assess the learning levels of the fresh undergraduate students. Assistance is provided based on their proficiency and competency levels. From II semester onwards slow learners are identified based on I-Internal marks and backlog history.

**Assisting slow learners**

Remedial classes are conducted

**Student Counsellor:** The learners are counselled by the in-house student counsellor.

**Equity Action Plan (EAP):** Financial and other assistance is provided to facilitate the learning process.

Extra classes are conducted for students appearing for supplementary exams to help them clear their backlogs.

**Skill development courses (Technical Skills) and Campus Recruitment Training (CRT):** A pre-test is conducted and based on the grades obtained, the slow learners are given more practice sessions and exercises to work on.

**Encouraging Advanced Learners**

Based on CGPA, the top ten students from each class are identified and given higher order assignments to enhance critical thinking.

Advanced learners are empowered to do Extra lab programs during

the lab sessions.

Students securing Top 2% or Top 5% in the NPTEL courses are given incentives.

Best Academic Performance Awards are given to the top 3 students of each class.

Gold medals are given to the topper of the branch.

### 2.2.2 - Student – Teacher (full-time) ratio

Year	Number of Students	Number of Teachers
10/09/2022	3344	172

File Description	Documents
Upload any additional information	<a href="#">View File</a>

### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institution provides an effective platform for students to develop latest skills, knowledge, attitude, values to shape their behaviour appropriately. All departments conduct innovative programs stimulating the creative ability of students, providing them a platform to nurture their problem-solving skills, and ensuring participative learning.

Faculty make efforts in making the learning activity more interactive by adopting the below-mentioned student-centric methods:

**Experiential Learning:** The institution imparts the following experiential learning practices to enhance creativity and cognitive levels of the students.

- Laboratory Sessions
- Summer Internship
- Mini-Projects,
- Theme-based projects
- Co-curricular activities
- Virtual Labs

**Participatory Learning:** Students participate in various activities as follows:

- Paper presentations
- Group Discussions/ Debates
- Seminar Presentations
- Presentation and publishing of papers in conferences and journals
- Innovative teaching methods such as Flipped Classroom, Kahoot, Plickers, Mind Map and Pogil

**Problem-solving methods:** Departments encourage students to acquire and develop problem-solving skills by conducting events listed below:

- Assignments based on problems
- Quizzes
- Case studies
- Project based learning
- Participation in events such as Hackathons

File Description	Documents
Upload any additional information	<a href="#">View File</a>
Link for additional Information	<a href="https://vce.ac.in/Departments/CSE/Innovative_teaching_process.cshtml#">https://vce.ac.in/Departments/CSE/Innovative_teaching_process.cshtml#</a>

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Provide link to the webpage describing ICT-enabled tools including online resources that are used for effective teaching and learning.

The Classrooms and Laboratories are ICT enabled with projectors installed, and the campus is enabled with high-speed internet connection. The faculty uses various ICT enabled tools to

enhance the quality of teaching-learning as given below:

1. One Smart board is available in each department to conduct the classes
2. LCD projector enabled classrooms were provided to show PPTs, Videos and Animated video lectures to make learning more interactive.
3. MIT open-source courseware were utilized to prepare higher order Assignments and Quizzes.
4. Microsoft Teams was used to conduct online classes and share course related information with the students such as Learning material, PPT, Assignments, Lab submissions and evaluations.
5. Lectures of all the courses were recorded and made available to the students through Microsoft Teams.
6. Moodle platform was used for conducting online Internal tests and quizzes.
7. Virtual labs are used to conduct few experiments.
8. Tools like Kahoot, Google Quiz, Flipped Classroom were used to perform student centric activities.

#### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

**Academic Calendar/ Almanac:At the beginning of every academic**

year, Director-Admission & Exam Branch (AEB) prepares an academic calendar. This is made available to the staff and students before the commencement of the class work. The academic calendar is displayed on all the department notice boards, and is also made available on the college web site. Based on the academic calendar, each department prepares a plan at the department level, which includes co-curricular activities and extra-curricular activities. This academic calendar is strictly adhered to, by the departments.

**Teaching Plans:**The faculty prepares a 'Course Plan' which gives the number of hours required to complete each unit. The 'Lesson Plans' are prepared which includes dates for each topic of a unit and the mode of teaching. The faculty prepares Course Teaching Objectives & Outcomes (CTOO) which includes Objectives, Significance of the course, Applications and Outcomes expected by the students to learn at the end of each unit.

Approved course plans, lesson plans and CTOO are communicated to the students at the beginning of each semester. The topics covered, on the given day as per the timetable is entered in the attendance registers as 'Lecture Record'. Effective implementation of the lesson plan and lecture record is reviewed by the HoDs.

5

File Description	Documents
Upload the number of complaints and total number of students who appeared for exams during the year	<a href="#">View File</a>
Upload any additional information	<a href="#">View File</a>

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

Introduced automation of examination seating arrangement for both Semester end examination and Internal Examinations

**Chief Examiner Evaluation Update:(CoE)** The process of Chief Examiner review, where 10% of the answer scripts were traditionally assessed, has undergone a transformation. Starting this academic year, instead of a review, Chief Examiners are tasked with evaluating 10% of randomly selected answer scripts from those assessed by other examiners. This change has enhanced examiner vigilance, awareness, and uniformity in the evaluation process. Additionally, it has led to a decrease in the number of scripts requiring reevaluation, consequently reducing instances of grade changes.

**Squad System Implementation:(CoE)** A squad comprising 2-3 senior faculty members, operating on a rotational basis, has been assigned to oversee each examination session. This initiative aims to ensure rigorous monitoring of both examinees and invigilators. The squad is responsible for coordinating and supervising time-sensitive activities such as the distribution of answer books and question papers for various courses, as well as providing necessary materials like graphs, drawings, charts, and tables. The primary objective is to prevent any form of malpractice during examinations.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The Institute adopted Outcome Based Education (OBE) in 2012 to impart education through student centric approach and follow outcome oriented teaching learning process. Course Outcomes, Programme Outcomes and Programme Specific Outcomes are the key components of OBE.

Course Outcomes (COs) are the "Statements of observable student actions that serve as evidence of the Knowledge, Skills and Attitudes acquired in a course". The course outcomes of each course are prepared by the course coordinator based on the feedback from the stakeholders and in-line with respective POs and PSOs.

Programme Outcomes (POs) represent the graduate attributes formulated as per Washington Accord and adopted by National Board of Accreditation.

Programme Specific Outcomes (PSOs) are specifically defined outcomes of the programme which the graduates have to acquire by the end of the programme.

Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs) have been formulated for all the UG and PG programme.

COs, POs, PSOs of all the UG and PG Programmes have been communicated to all stakeholders through

## 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

CO Attainment is computed using Continuous Internal Evaluation (CIE- Internal examinations, Assignments, Quiz) and Semester End Examinations (SEE)

Questions given in the various assessment tools are mapped to corresponding COs as indicated in the question paper. Every course must set the CO attainment levels using the set threshold. Three attainment levels are defined as

Level 3:  $\geq 60\%$  students scoring  $\geq 60\%$  marks

Level 2:  $\geq 50\%$  to  $< 60\%$  students scoring  $\geq 60\%$  marks

Level 1:  $< 50\%$  students scoring  $\geq 60\%$  marks

New Process manual is introduced for the batch of students admitted in 2022-23 Academic year. In addition to direct assessment tools (SEE, CIE), Course End Survey is considered as indirect assessment tool to compute CO attainment.

Direct CO Attainment = 30% of Internal Examination + 5% of Assignments + 5% of Quizzes + 60% of SEE

Overall CO attainment = 80% Direct CO attainment + 20% Indirect CO attainment through course end survey

PO & PSO attainment computation is done using direct & indirect assessment tools.

CIE, SEE, Rubrics for projects and seminars are the direct assessment tools. The COs are mapped to the POs and PSOs on the scale of 1 to 3. CO attainments and CO-PO, CO-PSO mappings are used to compute PO & PSO attainment.

Student Exit Survey, Alumni Survey, Employer Survey, Parent Survey, Extra-Curricular-Activities and Co-curricular-Activities are indirect assessment tools. The questions in the surveys are mapped to POs and PSOs on the scale of 1 to 3. The responses and the mappings are used to compute indirect attainment of PO & PSO.

PO & PSO attainment = 80% direct attainment + 20% indirect attainment

### RESEARCH, INNOVATIONS AND EXTENSION

#### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The institute provides a conducive environment and provide necessary infrastructural facilities for promoting research ecosystem. The institute encourages in conducting International conferences and faculty development programs to promote research culture. The institute provides seed funding for research

projects, consultancy projects, Patents and research paper publications for encouraging the faculty and students in promotion of research. The institute received a research of funding of 43.68 lakh from DRDO, SERB and DST for the Academic year-2022-23 and total ongoing projects funding is 44.68 lakh. The institute has an established NI Labview academy, Vector and signal analyser, Software defined radio for communication, in ECE Dept, Industrial IoT lab in CSE Dept, IBM server in Deep learning lab in IT Dept. The facilities in research centers and project laboratories are regularly updated. The institute has established Research lab/Project lab for all the engineering departments, where the culture of research work is promoted. The departments of EEE, ECE, CSE and Mechanical Engineering were recognized as research Centers by Osmania University to provide guidance to research scholars. The institution has a well-defined policy for promotion of research & consultancy activities. Original research work is ensured through well publicized plagiarism policy and TURNITIN software.

**3.3 - Innovation Ecosystem**

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

ED Cell encourages students to participate in several entrepreneurship related workshops and competitions. It is

nurtured with additional inputs like, guest lectures, e- Talks by entrepreneurs, idea generation workshops and seminars. The primary objective of the ED Cell is to motivate and guide young students for entrepreneurial development and educate them with information about the available opportunities, and the Government schemes for becoming successful entrepreneurs. The institution has been associated with prominent entrepreneurial networks like National Entrepreneurship Network (NEN), Wadhawani Foundation, The Technology Entrepreneurship Program (TEP) of Indian School of Business, The Indus Entrepreneurs (TiE), The Telangana Hub, etc. The incubation center has a primary objective to facilitate incubation of new start-up's / enterprises with innovative technologies based on academic and industry research. The institute provides infrastructure, technical support, product engineering, networking support, seed capital and other services to encourage the students. The institute conducts outreach programs for skill development for the students in Government diploma and ITI colleges. The Institute has received certificate of recognition from Ministry of Education- Innovation cell-Government of INDIA on 29th December-2021 under the category of Promising institute for Innovation achievement. 22 Activities were conducted during the academic year-2022-23.

<b>3.6 - Extension Activities</b>	
<b>3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year</b>	
Service to mankind is service to god. Imparting such values and attitude to students is the motive of NSS cell of the institution. Every year during Independence day and Republic day, the NSS students coordinate with the other clubs of the	

institute to demonstrate on a current social problem.

Following Extension activities are conducted in collaboration with Government of Telangana state during A.Y-22-23.

1. Haritha haram- Three Tree Plantation programs are conducted in collaboration with Govt. of Telangana.
2. COVID-19 Vaccination drive- In collaboration with Health Department-Govt of Telangana
3. Anti-Ragging Awareness program - In collaboration with City civil Court legal Services Authority, Senior Civil Judge, Hyderabad.
4. Anti-Drug Awareness program - In collaboration with The Department of Prohibition and & Excise Hyderabad-Govt of Telangana.
5. Traffic Awareness program- In collaboration with Hyderabad City traffic Dept, Govt of Telangana.
6. Blood Donation Camp - In collaboration with Institute of Preventive Medicine (IPM) blood Bank Government Blood Bank&Thalassemia & Sickle Cell Society

The other extension activities conducted in local community include: Aksharamala- Volunteer Based Online Coaching in Government Schools, Yoga Training, World Water day-Jal nahi tho kal nahi. The institute conducts outreach programs for diploma students of Governement polytechnic colleges to train them for skill development.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Vasavi College of Engineering has a beautiful landscape, eco-friendly campus, spacious classrooms, well equipped laboratories and excellent infrastructure spread over 12.7 acres.

#### Classrooms

Classrooms are well-furnished, spacious and well ventilated to fulfil the norms of proper visibility and audibility. They are provided with LCD projectors, LAN / Wi-Fi connectivity. Five classrooms in various departments have digital boards to aid the teaching learning process.

#### Laboratories

The Institution has domain specific laboratories and project labs as per the regulations of AICTE and Osmania University, with safety measures.

#### Seminar Halls

The college has four seminar halls and one conference hall in the academic blocks to conduct seminars, conferences, guest lectures, and workshops for students and faculty. They are equipped with LCD projectors, whiteboards, raised platforms and public address system with internet facility.

#### Mini auditorium

The college has a mini auditorium equipped with two LCD projectors and two screens, audio systems, white boards and with Internet connectivity for conducting seminars, conferences, guest lectures, workshops, Hackathons etc,. for larger audience.

#### Computing Equipment

The institution has 1768 computers. Every department has computer labs for conducting programming & simulation experiments. Teachers are provided with desktops having internet connectivity.

File Description	Documents
Upload any additional information	<a href="#">View File</a>
Paste link for additional information	<a href="https://vce.ac.in/About/College/College_Video.cshtml">https://vce.ac.in/About/College/College_Video.cshtml</a>

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

#### Sports Facilities

College has adequate facilities to conduct both indoor and outdoor games. Indoor games such as caroms, chess and table tennis are organized in rooms with an area of 188 sq.m. Outdoor games such as volley ball, basket ball, cricket etc. are organized outdoor in grounds spread over an area of 17190 sq.m. Students have bagged prizes in intra-college, inter-college and university competitions.

#### Mini Auditorium

The college has a mini auditorium of 217 sq.m with the required infrastructure. It has a public address system and two LCD projectors. It has a seating capacity for 300 people. The auditorium is used to organize guest lectures, conduct events on occasions such as engineers' day, teachers' day, branch specific programs etc.

#### Seminar Hall

The college also has a seminar hall of 135 sq.m with 150 seating capacity which is used to conduct cultural activities such as

dance and singing activities. The hall is also equipped with LCD projector, and public address system with internet facility.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Year : 2022-23

Name of the Integrated Library Management System (ILMS): SOUL (Software for University Library)

Nature of Automation (Fully or Partially) : FullAutomation

Version : 3.0

Year of Automation: 2011

Software for University Libraries (SOUL) is a state-of-the-art and user - friendly integrated library management software designed and developed by the INFLIBNET CENTRE fulfilling the requirements of college and university libraries working under client-server environment. The software is suitable for all bibliographic formats, networking and circulation protocols.

Some of the features of SOUL

- SOUL Software Supports more than 150 languages in both Indian and foreign.
- Integration with high standards cataloguing codes such as CCF, AACR2, MARC21, MARCXML&ISO-2709.

Following are the modules used in SOUL software:

- Catalogue
- Circulation
- Administration
- OPAC
- Member login/logout

#### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The college procured additional 400 systems in the year 2022-23 which adds up to a total of 1768 systems. All these systems are connected with high-speed campus-wide network. Labs with PC's in all the departments give ready access to computing resources, services software and applications providing specific teaching / learning needs of the department.

College has internet Facility with two leased lines, one from

BSNL with 200Mbps and other from Pioneer Elabs with 250Mbps. The College also has 1Gbps Broadband from ACT Fiber and has provided Wi-Fi access points at various locations in the campus. The Internet Gateway comprising of a Web Server, Symantec Protection suite Enterprise Edition 14.1, Firewall protection through Fortigate 500E UTM, Fortianalyzer 200F, CISCO switch and other networking components have been provided for an efficient and secure LAN.

The Main Computer Centre has multiple servers namely: Windows server, Linux server, CAD/CAE server, Oracle database server, LMS server (Moodle), IBM Deep Learning Server, NPTEL Server and SOUL Server. All the servers can be accessed across the campus through LAN.

The details of major IT facilities updated in the academic year 2022 - 2023 are enclosed in the attachment.

Upload any additional information	<a href="#">View File</a>

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The college has qualified and skilled manpower for maintenance and upkeep of laboratories, classrooms, workshops, conference and seminar halls, sports & games rooms and restrooms. Air Conditioners, UPS, Electrical Generators, Elevators, Firefighting equipment, sewerage treatment plant are under Annual Maintenance Contract (AMC) with the required budget provision. The Facilities Manager oversees these support facilities.

The Computer centre has skilled man power to oversee maintenance, replacement, repair of computers, hardware upgradation, software installation, Wi-Fi and LCD maintenance etc.,. All application softwares are renewed / upgraded through

AMCs.

The concerned departments have a policy of calibrating the lab equipment on a regular basis.

The Library regularly adds new titles and volumes based on the requirement of the faculty and the students. It also subscribes annually to online E- journals, print journals and magazines.

Other services / facilities on the campus include :

- Cafeteria facility
- Banking/ATM facility
- Stationary and Reprographic facilities
- Transport facilities
- Fully equipped medical centre with an Ambulance

The college has 275kW roof top solar power plant to cater power requirements. It is also connected to the grid.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The following committees consist of student representatives to promote value based education through active participation in academic, and other related activities. Class Review Committee This committee consists of Management Representative, Principal, Head of the respective department, and four students from each section of the programme, with more than 75% attendance and varying levels of academic record/performance representing slow, average and fast learners. This committee meets once in a semester to discuss the teaching-learning methodology, faculty performance and innovative teaching practices.

Library Committee This committee consists of the Principal, HoDs, Faculty, Librarian and student from every section. It meets once a semester to discuss and upgrade library facilities. Anti-Ragging Committee This committee consists of staff, two senior students from each department and external members. They spread awareness on AntiRagging by displaying posters and also collect undertakings from students and their parents. Canteen Committee The committee of Under-Graduate and Post-Graduate students and other faculty members meet periodically to check

the quality of food and hygiene in the canteen. Internal Quality Assurance Committee IQAC committee consisting of HODs, faculty, students and members from Industry ensures academic and administrative excellence through implementing strategies and suggestions given for continuous improvement of quality education.

### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

VCEAA: Vasavi College of Engineering Alumni Association [VCEAA] is a registered forum connecting students with their almatater to reminisce and share experiences. VASAVI COLLEGE OF ENGINEERING The interface between alumni, staff and students helps in, exchanging skills and experience, conducting seminars, workshops and guest lectures, promoting social and cultural activities, acquiring scholarships for meritorious students, and granting financial aid to deserving students. The various contributions by the alumni are: Guest Lectures and Career Counselling VCEAA encourages alumni to conduct technical lectures and career guidance sessions on latest technologies and share their success stories. Institution of awards for

meritorious students Awards/Medals/Prizes are presented to outstanding students in their academics, project work, extracurricular activities and sports. Awards are given to students during Annual Cultural fest 'EUPHORIA'.

Scholarships Needy and deserving students are given scholarships and other forms of financial assistance to help them in their academics. Provide internships, projects and placements VCEAA provides internships, encourages alumni to visit the college for campus placements, provides project assistance & employee referrals to our students and facilitates industrial visits thereby increasing students' employability.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

- **Vision and Mission Statements on the nature of governance:**

**Vision:**

Striving for a symbiosis of technological excellence and human values

**Mission:**

To arm young brains with competitive technology and nurture holistic development of the individuals for a better tomorrow

Technological excellence and human values constitute the institution's vision. Competitive technology and holistic development of the individual are stressed. The teaching-learning process imparts competitive technology to students through Basic Sciences, Humanities, Engineering Sciences, Professional Electives, Open Electives, Skill development courses and Project work. Courses in Human Values and Professional Ethics inculcate qualities as honesty, integrity, empathy, equity, fairness, etc.

- **Perspective Plans:**

The Strategic Plan for 2021-2025 is currently being implemented. Achieving higher academic standards, better placements, improved R&D, Industry-Institute Interaction, attract better human resources are key strategic factors.

The institute became autonomous in the year 2014 as part of its strategic plan 2010-2015.

- **Participation of the teachers in the decision-making bodies:**

Faculty are represented on the Board of Governors, Academic Council, Board of Studies, IQAC, etc. Faculty are also represented as members of various other committees, viz., Anti Ragging, Grievances and Redressal, Industry-Institute Interaction, etc.

Paste link for additional Information	<a href="https://vce.ac.in/About/College/vision_mission_quality.cshtml">https://vce.ac.in/About/College/vision_mission_quality.cshtml</a>

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

**Case study: Academic committee:**

The Institution Academic Committee comprises of CEO, Principal and all Academic Heads of the Departments of the Institution.

The academic committee meets regularly at least once in a month and as often as required for effective implementation and monitoring of academic practices and procedures.

The functions and responsibilities of Academic Committee are implementation of academic calendar, scheme of instructions and schedules in accordance with the directions of University, and also monitoring of the progress of students, monitoring of syllabus coverage by the faculty and departments, ratification of attendance, review of R & D activities, MoUs with industry and research institutes and faculty development programs. Recent academic resolutions are:

To introduce minor degree in Computer Science and Engineering for ECE, Mech, Civil and EEE branches from the academic year 2023-24. To introduce B.E (Honors) degree in Mechanical Engineering, Electronics and Communications Engineering and Information Technology Departments for the students admitted from the academic year 2021-22. Proposed and implemented the Open Book Examination for B.E IV & VI semester students for some specific courses in each Department. To revise the incentive policy to the faculty for R&D publications. To revise the curriculum for technical skills to enhance the placement opportunities. It is recommended for undertaking interdisciplinary projects for B.E VIII semester students. To propose stream based open elective courses for B.E. III to VI semester students from the academic year 2023-24.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

The following Goals of the Strategic Plan 2021-2025 are being implemented.

1. To establish better academic practices and procedures
2. To be a choice for good quality students and competent faculty
3. To produce technically competent and ethically strong graduates
4. To encourage Research & Consultancy
5. To develop a smart campus

Strategy 4:

The Institute is strengthening the R&D capabilities of the faculty and students and participates in Industries problem solving. In making our vision and mission a reality, it has taken the initiative to promote innovations of faculty and students and collaborate with Industries for mutual benefit. The Departments of Computer science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering are recognized as research centres by Osmania university. Faculty and students are also encouraged to contribute to national and international conferences conducted outside the institution as part of this initiative. With the objective of giving special thrust to research culture in the College and to promote research and other related academic activities including publications, sponsored projects etc among the faculty, a policy of extending financial support to them for these purposes was evolved and the guidelines formulated.

The college is providing financial support and academic leave to attend FDPs/conferences/workshops for the faculty and also providing financial support to students to publish papers in conferences and to participate in hackathons and other national level technical events like BAJA, ASME-HPVC, etc.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

- Established in 1981 by the Vasavi Academy of Education (VAE), Vasavi College of Engineering offers UG and PG Programmes.
- VAE has a Governing Body consisting of the President, Secretary, Treasurer and Members. Each Institute under VAE has its own Managing Committee.
- The BOG is constituted as per UGC provisions. It consists of Chairman, UGC nominee, Nominees of Management, Members representing Academia, Industry, faculty, nominees of affiliating University and State government, with Principal as the Member Secretary.
- Academic Council oversees policies and procedures regarding academic matters with Principal as the Chairman and HoDs & Senior faculty of the college, experts from premier Institutions, Industry representatives and University nominees as members.
- The College Academic Committee comprising of Principal and HoDs meets regularly for monitoring and implementation of policies.
- Directors of Student Welfare, Academic and Admissions, Placement & Training and the Controller of Exams report to the Principal.

Functional heads for Finance, Administration, Learning Resource Centre, Computer

- Centre, Physical Education and Maintenance also report to the Principal.
- Other 36 committees include: Anti-Ragging, R&D, Finance, Purchase, Professional Bodies, etc.
- Administrative Manual includes employees duties, responsibilities, leave and conduct rules, recruitment

process, pay scales, promotion policies etc.

- A provision is available for stake holders to give their feedback/suggestions through on-line and suggestion boxes.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The following measures are being implemented:

For Professional growth:

- Academic leave with full pay for pursuing higher studies
- Registration fee, Dearness allowance, travel grants for teaching and non-teaching staff for attending various conferences, workshops and skill development courses.
- Incentives for publications, sponsored research projects, completing Ph.D, consultancy, patents and good performance

in MOOCs courses

- Permission to faculty to deliver guest lectures at other institutes
- Visits to industry and higher learning institutes for knowledge acquisition
- For non-teaching staff, academic leave is provided for writing various examinations

#### Welfare measures:

- Gratuity for both teaching and non-teaching staff
- Earned leave, Half Pay leave/Medical leave, Extraordinary leave, for both teaching and non-teaching staff
- Maternity leave for the women staff @120 days
- Management contribution to Provident fund for both teaching and non-teaching staff
- Extension of ESI benefits to non-teaching staff @4.5% of basic
- Reimbursement of 50% premium for medical insurance for policy value up to

Rs. 50,000/- for the non-teaching staff.

- Festival advance for non-teaching staff.
- Emergency medical care and first-aid is available in the campus with one Nursing Assistant. General medicines are made available in the centre.

An Ambulance with all facilities is available in the college round the clock for emergency services.

- ATM Facility in the campus and Availability of Bank for transactions within the campus.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

The Institute conducts both internal & external audit regularly. It has an Internal Audit Team that audits items of both Income &

Expenditure. The internal auditor has been provided with Scope and Coverage of audit. The Team checks and verifies vouchers of all transactions every quarter and submits a report to the management on their findings as per the terms of reference.

In addition to the above, the Institute has also appointed an External Auditor who scrutinizes all the items of income and expenditure and submits a report on conclusion of the audit at the end of the financial year.

The details of audit carried out in the year 2021-22 is furnished as additional information.

The mechanism for resolving audit observations are given below:

The findings of the Auditors is referred to the Audit Committee of the Institute comprising of Sri V.M. Partha Sarathi, (Treasurer-VAE : Chairman), Sri K. Vasudeva Gupta( Member-VAE : Member) and Sri V. Jayasundar (Chief Finance Officer-VCE : Convener).

The Audit Committee thoroughly goes through the findings and submits its remarks/responses. The audit report with the response of the Audit Committee is reviewed by the Managing Committee of the Institute and the Governing Body of the Society.

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

##### • Mobilisation of Funds:

The chief financial resource for the Institute is tuition fee which is fixed by the Telangana Admissions and Fee Regulatory Committee (TAFRC) once in three years, based on previous year's expenditure, impact of inflation during the next three years, furtherance etc. The college furnishes details of the expenditure of the previous three years and projections for next three years to the State Fee Regulatory Committee. These include anticipated increase in salaries on account of DA revision, increments, retirement benefits, etc. The institute also submits estimates for capital expenditure. Resource mobilization therefore depends on fee fixation by TAFRC.

Funds are also mobilized through Consultancy, R&D and other projects from government agencies such as AICTE, UGC, DST, DRDO, etc.

The Sponsoring Society extends financial support to the Institute based on need and ensures the availability of requisite funds.

##### • Optimal utilization of resources:

To ensure optimal utilization of resources, the annual budget is prepared based on anticipated recurring and non-recurring expenditure and estimates/requirements received from the departments and functional units. The budget proposals are reviewed by the Managing Committee and submitted to BOG for approval through finance committee. Expenditure analysis is carried out every six months to monitor the income and expenditure of the institution. Monthly income and expenditure statements are prepared and audit is performed periodically to ensure optimal utilization of the funds.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

1. Introduced Best Theme Based Project Awards for B.E VI Semester students in the Academic Year 2022-23
2. Revised the Incentive Policy to the Faculty for R&D Publications
3. Revised curriculum for technical skills to enhance placement opportunities
4. Conducted a workshop on "Time Management"
5. Introduced Inter-Disciplinary projects for B.E VIII Semester students
6. Submitted SAR for NBA for IT Program
7. Conducted one day workshop on Innovative Methods of Assessment and Evaluation

1. Revised the Incentive Policy to the Faculty for R&D Publications:

An incentive for the journal publications for Scopus/SCI indexed publications with APC the reimbursement is increased to a maximum ceiling of Rs.35000/-..Incentive for patents for publishing of the patents with the college as an applicant will be borne by the college up to a maximum of Rs. 20000/-. For Scopus-indexed publications without APC, the incentive is increased from Rs.10000/- to Rs. 20000/-

2. Submitted SAR for NBA for IT Program: Submitted SAR for NBA for IT Program: The SAR for IT program has been prepared and submitted for accreditation in the year 2023. after the visit by the NBA team successfully the IT program has been accredited for three years i.e, up to June 2026.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The institution regularly reviews the teaching-learning process and its outcomes through the following methods.

1. Course End Feedback
2. Student exit survey
3. Faculty reviews
4. Semester-end feedback
5. Student feedback (CRC)
6. Academic audit.

1. Faculty reviews: A review committee comprises subject expert(s), HOD , Principal, and Management representative(s). The metrics used are subject knowledge, clarity in presentation, innovation in teaching methodology, and blackboard management. Based on his/her choice of interest in the subjects taught, the faculty is required to give a presentation on the chosen topic. The assessment report is prepared based on the parameters shown above and the assessment is considered as successful if the minimum requirement is met.

2. Academic audit: The Academic audit is being conducted annually by the external team from higher learning institutes across all the Departments. This audit focuses on the evaluation of the components such as curriculum, teaching-learning process, quality of CIE&SEE question papers, assignments, quizzes, and students' performance in the examinations, R&D, and Consultancy, As an example the committee advised providing research grants to faculty to promote research culture, hence The Institution revised and enhanced the incentive for the journal publications to the faculty.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

#### **Safety and Security**

- Main entrance, Examination halls, Canteen and Controller of examinations office have CCTV surveillance.
- Complaint and suggestion boxes are in every floor of all the academic blocks.
- Women Development Cell and Anti Sexual Harassment Committee

for the safety and security of women and girl students.

#### Counseling:

- Ms.Rukmini Vedula is a professional student counselor. She counsels students on stress management, self-esteem issues, lack of motivation, time management, friendship issues, emotional issues, behavioral issues, adjustment issues, goal setting, etc. Lateral entry students are offered group counseling sessions to help them integrate with the mainstream students

#### Common Room :

- Common rooms are available in each Academic block with tables, chairs, beds with linen, drinking water coolers and washrooms, exclusively for girl students and women employees. Sanitary towels are made available in the health centre. Sanitary Incinerators are installed in the rest rooms to promote hygiene.

Number of Gender Equity Programmes Conducted during the academic year 2022-23:12

7.1.3 - Describe the facilities in the institution for the management of the following types of

degradable and non-degradable waste (within a maximum of 200 words)

• **Solid Waste Management:**

Adequate number of trash cans and dust bins are placed all over the campus to collect the solid waste and is disposed daily with the help of GHMC. Sanitary incinerators are installed; campaigns like Swachh Bharat, Clean & Green activities and plantation are conducted.

• **Liquid Waste Management:**

A Sewage Treatment Plant with a capacity of 50,000 litres installed in May 2010 treats liquid waste, used for gardening and saving potable groundwater. 24 rain harvesting pits are channelized to recharge ground water level. Arrangements are made for collection of roof water.

• **E-Waste Management:**

The e-waste includes a wide range of electronic and electrical items such as computers, printers, keyboards etc. Electronic machines and goods are put to optimum use. The institute takes efforts to minimize e-waste by repairing the computer peripheral and electronic components.

E-waste generated from various departments which cannot be reused or recycled is being disposed off centrally through certified eco-friendly vendors. Instead of buying a new machine buyback option is taken for technology up gradation. Any damages or reductions in capacity are set right by repairs. In addition, the college has emphasis on minimum paper usage to save carbon emission in printers

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

**College organizes cultural and literary events that promote**

communal and regional harmony. Commemorative days like Independence-Day, Republic-Day, Yoga-Day, Womens'-Day, the Batukamma Festival, Durga-Pooja are celebrated with the motto of promoting communal, regional and cultural harmony. The students participate in various cultural events celebrating Traditional Day which culminates in Euphoria-the college cultural fest.

A basket of ten clubs is made available to students to exhibit their creative and literary talents. These clubs develop their speaking and thinking skills adding to their literary milieu.

Under Equity- Action-Plan the college strives to provide equal opportunities to all students in UG&PG courses. Students belonging to the disadvantaged and socio-economically weaker sections are supported academically and financially by the management, through various schemes.

The students are admitted as per the rules issued by the Government implementing the reservation policy for admission in Professional courses in Unaided Non-Minority Institutions. Reservations are provided for women, socio economically backward sections - BCs, SCs, STs & PH, CAP, NCC, sports and games. A three-week Induction program is conducted to orient the newly admitted students towards professional courses. The Institution allocates two seats per course which are Supplementary seats for J& K students under Prime Minster's Special Scholarship Scheme.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

To instill Moral, Social and Ethical values, the college has introduced two courses on Human Values and Professional Ethics as credit courses for all the students of B. E programs. These courses help students gain a worldview of the self, society and profession. It emphasizes on holistic understanding of ethical human conduct, trust and mutually satisfying human behavior.

The NSS unit of the institution undertakes the following activities:

- improving learning outcomes in Government Schools
- Rashtriya Ekata Sapath, and Organized a Rally
- Organising Blood Donation Camps
- Conducting Medical awareness programs in the nearby villages
- Programs to promote National Integrity, Human values, Communal Harmony,
- Awareness programmes on various environmental hazards, Swachh Barath, Say no to Drugs, etc.
- Organised Covid-19 Vaccination drive in association with Telangana Health Department.
- Organized Voters' Day, World Water Day

The Street Cause of Vasavi unit started in 2012 undertakes the following for underprivileged sections of the society.

- Teach Ibrahimbagh -Educational support to the students of Ibrahimbagh Village.
- Distribution of text books and stationery to students in various villages.
- Distribution of fans, lights , black boards to Schools in various villages.

#### 7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Independence Day and Republic Day are celebrated every year in the Institution. Management members of the Institution, staff members and students attend the flag hoisting ceremony every year on these occasions. Various cultural programs are also conducted after the Flag hoisting ceremony to inculcate the spirit of dedication and patriotism in staff and students. Also, academic prizes/awards are distributed on this occasion.

Dr. Sarvepalli Radha Krishnan's Birthday is celebrated on September 5th every year as 'Teachers' Day'. An eminent academician is identified and felicitated every year on this occasion As a tribute to the greatest Indian Engineer Sir Mokshagundam Vishveshvaraya on his birth anniversary, the institute celebrates 'Engineers Day' every year on September 15th every year. Various technical programs are conducted to mark this occasion. Technical competitions are conducted and prizes are distributed.

An eminent Engineer is identified and felicitated every year on this occasion. As a tribute to the great Indian Scientist, Sir C.V. Raman, his birth anniversary is celebrated as National Science Day on 28th February every year. All the academic blocks and the Learning Resource Centre in the campus are appropriately named after the great Indian Scientists and academicians as a mark of respect to their stellar contributions.

### 7.3.2 - Plan of action for the next academic year

- To train the faculty on active and engaged learning initiatives in teaching.
- To introduce Minor Degree in Computer Science and Engineering for the students admitted in Civil, ECE, EEE and Mechanical Engineering programmes.
- To enhance the awareness on NEP 2020 and its guidelines
- To introduce stream based Open Elective Courses and general pool open electives, providing more choice for the students.
- To introduce awards for Best Theme Based Projects.
- To mentor students for participating in all India Hackathons.

To train the identified teaching and technical staff in C and Data Structures enabling them to teach and conduct C and Data Structures theory and Lab Courses
