Dear **Monisha**

Congratulations on your offer to join Cisco.

At Cisco, our commitment is to drive the most trusted customer experience in the industry, through our innovation, choice, and extraordinary people. We have a unique opportunity to build a better, more equitable, and inclusive future for everyone.

Day to day, we make a meaningful difference for our people, our customers, and the world around us. We support each other and work together to create shared success that will benefit everyone. As we bring our talents and ideas together, we hope you will join us as we work to empower an inclusive future for all.

We're offering you a position as a **Technical Undergraduate Intern, Grade 99** in **123 - Cisco Systems (India) Private Limited**. You'll report to me, **Mukesh Chhabra** (mukchhab@cisco.com) and you'll start in our **IND-BANGALORE, NON-REMOTE** office.

When you'll start

We're planning for you to start on **21-Feb-2023** (Start Date). If this date won't work for you, please email me (**Mukesh Chhabra** (mukchhab@cisco.com)) with the date you prefer and we can discuss options. You just need to make sure it is at least two weeks after we received all your signed documents.

What Happens Next?

Please let us know your response to this offer by **15-Feb-2023** by either accepting this offer or contacting your recruiter or me to discuss.

If you accept the offer, you'll get access to our hiring portal, "My Documents Space" where you'll find more about what you need to get started on your Cisco career journey, including an overview of the benefits that are offered to our employees in India.

Get in touch if you have any questions. Reach out to me personally, or your recruiter, who is also a great source of information. It's been a pleasure getting to know you, **Monisha**. I look forward to having you on our team!

Welcome to Cisco!

Internship cognizant
Start date - 21-03-2023
end date - 14-09-2023

Dear Nimmala Sainadh Reddy,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a period of 3 to 6 months. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer - employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.
- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

Subject: Internship Confirmation and Stipend Details

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to provide you with an update on the successful candidates selected for internships at the Indian Institute of Technology Hyderabad (IIT Hyderabad). We are delighted to inform you that we have chosen four exceptional individuals to join our esteemed institution as interns.

We would like to confirm the following interns and their respective positions joined on 13th of March 2023.

Intern 1 - Dasari Nainica
Intern 2 - Kancharala Srinayan
Intern 3 - Thummalapalli Shreya
Intern 4 - Bakshi Abhinitha

These individuals have demonstrated their passion for learning, their strong academic records, and their commitment to contributing to the research and development activities at IIT Hyderabad. We are confident they will contribute value to our ongoing projects and further enrich our academic community.

In recognition of their efforts and to support their financial needs during the internship period, IIT Hyderabad is pleased to offer each intern a monthly stipend of Rs. 30,000/- (Thirty thousand).

Thank you for your support and cooperation. We look forward to a productive and mutually beneficial association.

Sincerely,

To whom it may be of concern

I am writing this letter to confirm that **Nainica Dasari** successfully completed an Internship under my supervision at the Department of Computer Science and Engineering from 13th March 2023 to 28th July 2023. Throughout the internship, she demonstrated great dedication and proficiency in the following projects:

1. Developed a Python library for similarity measures.
2. Implemented OCR (Optical Character Recognition) technology for detecting restaurant bills' text.
3. Created an application utilizing Paddle OCR to extract GST amounts from scanned bill images.
4. An In-Depth Exploration of Generative Adversarial Networks and Transformer Architectures.

During her time with us, Nainica exhibited strong problem-solving skills and a keen ability to grasp complex concepts swiftly. Her contributions to these projects were valuable and showcased her talent in the field of Computer Science.

Training Agreement

Dear Kavish:

On behalf of **Deloitte Tax Services India Private Limited**, please accept our congratulations on your recent offer of employment to join the Company as **Business Technology Analyst** pursuant to the terms and conditions of your offer letter dated **August 28, 2023**. You made a very favorable impression with everyone you met and we are excited about the possibility of you joining the Company.

As you may be aware, as a condition of employment with the Company, you may be required to travel Overseas to attend a series of training sessions for a period of up to 90 days. This training will be a combination of classroom procedural training as well as on-site training to observe employees conducting similar work at various client locations. This training represents the confidence we have in your ability to be a valuable member of the practice of the Company.

As per Company policy, we kindly bring to your attention that all employees attending training overseas are required to sign a Training Agreement which will obligate the employee to repay a calculated amount of the costs associated with the training, only if the employee resigns his/her position or are terminated for cause within a specified period after completion of the training (usually between 6 to 18 months). This repayment obligation disappears after the specified period of time has lapsed.

We all look forward to seeing you again soon and having you join our team of outstanding professionals.

Sincerely,
For **Deloitte Tax Services India Private Limited**

To

Vamschi Chenna

Dear Vamschi Chenna,

Congratulations! Moschip Technologies Limited (Formerly MosChip Semiconductor Technology Limited) is pleased to offer you employment on the following terms. This letter supersedes any and all previous offers verbal or in writing and is contingent upon successful completion of your background check.

1. Position: Your position will be **Trainee Engineer - Analog Design**. This is a full-time position. While you render services to the Company, you will not engage in any other employment, consulting or other business activity (whether full-time or part-time) that would create a conflict of interest with the Company. By signing this letter of agreement, you confirm to the Company that you have no contractual commitments or other legal obligations that would prohibit you from performing your duties for the Company. You are required to execute a Service Agreement for four years six months (Liquidated damages for breach of agreement - Nine Lakhs Rupees).

2. Compensation: The Company will pay you **INR 324000** (Three Lakh Twenty Four Thousand Rupees) per annum inclusive of all benefits as shown in Annexure A. Your salary will be reviewed after the successful completion of your probation period, subject to your training performance evaluation which would be in between **(Rupees Five Lakh Fifty Thousand to Six Lakhs) 550,000 to 600,000/-** per annum as Total CTC. MosChip reserves the right to terminate your employment if your performance is not meeting our expectations.

3. Training/Probation: You will initially be on classroom training and probation for a period of six months from your date of joining, post which you're training for another one year would be on the job. It may be curtailed or extended based upon your performance and the decision of the management. You will be considered for probation completion after due evaluation and satisfactory performance. If you are absorbed in the company as regular employee, subject to you clearing the basic qualification needed for the job (Graduation - B. Tech) you will be entitled to the regular employee benefits as per the policy applicable.

4. Transfer: Your work location is Hyderabad. During your employment with the company, you will be liable to be transferred or deputed to any of the offices/departments of the Company/ Associate/ Subsidiary/ Group Companies/Client locations, whether anywhere in India or abroad on the same or similar terms and conditions of the employment.

5. Non-Disclosure Agreement: Like all Company employees, you will be required, as a condition of your employment with the Company, to sign the Company's standard Non-Disclosure Agreement and you are required to execute an Employee Comprehensive Agreement.

6. Employment Relationship: Your employment with the Company will be governed as per the terms agreed in Service Agreement. The Company or you can terminate employment by giving written notice or salary in lieu of 90 days and subjected to terms agreed in Service Agreement. However, in the event of gross misconduct or breach of the terms and conditions, the Company is entitled to terminate your employment with immediate effect.
