Dear **Nimmala Sainadh Reddy,**

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for **a period of 3 to 6 months**. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.

- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.

- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.

- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.

- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

Subject: Internship Confirmation and Stipend Details

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to provide you with an update on the successful candidates selected for internships at the Indian Institute of Technology Hyderabad (IIT Hyderabad). We are delighted to inform you that we have chosen four exceptional individuals to join our esteemed institution as interns.

We would like to confirm the following interns and their respective positions joined on 13th of March 2023.

Intern 1 - Dasari Nainica
Intern 2 - Kancharala Srinayan
Intern 3 - Thummalapalli Shreya
Intern 4 - Bakshi Abhinith

These individuals have demonstrated their passion for learning, their strong academic records, and their commitment to contributing to the research and development activities at IIT Hyderabad. We are confident they will contribute value to our ongoing projects and further enrich our academic community.

In recognition of their efforts and to support their financial needs during the internship period, IIT Hyderabad is pleased to offer each intern a monthly stipend of Rs. 30,000/- (Thirty thousand).

Thank you for your support and cooperation. We look forward to a productive and mutually beneficial association.

Sincerely,

Nenavath Pavan
B.E. (Hons.) Computer Science & Engineering
Vasavi College of Engineering, Hyderabad

Dear **Nenavath Pavan,**

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for **a period of 3 to 6 months**. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

• The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.

• Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.

• You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.

• The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.

• After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

Congratulations!

We would like to take this opportunity to commend you on the successful completion of your project.

This letter certifies that you have completed your internship with IBM India Private Limited. This also confirms your employment in an intern capacity from January 30, 2023 to July 29, 2023 under the guidance of Ritansh Raj.

Project title - Team wide machine management tool for more optimized resource consumption

Project Details-In team environments, resources or virtual machines (VMs) often remain unused, leading to unnecessary provisioning and inefficient resource utilization. So, we need a platform where everyone can add details about their own resources along with the purpose. And this platform should contain a centralized pool where everyone should be able to see the idle machines. When in need of a new resource, one can take advantage of this resource pool rather than requesting for a new VM. This promotes efficient resource utilization and eliminates the overhead of creating a new machine.

Dear Govindapriya,

SUB: Internship with Medtronic Engineering and Innovation Centre Pvt Ltd.

Further to your assessments & interviews with us, we would like to congratulate you on being selected for internship with **Medtronic Engineering and Innovation Centre Pvt Ltd – Cardiovascular** based at **Hyderabad.** Your training is scheduled to start effective **1st February '23** for a period of 6 months **(1st February '22 – 1st August'23).**

Your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you have learnt in your class so far.

The details on your project and your mentor/guide will be shared with you on the commencement of training via a separate email communication.

You will be eligible for receiving a consolidated stipend of **INR 40,000/-** per month during your internship.

During this period, you will be eligible to apply for the time off. This is allocated as one leave per month and can be availed during the internship program. Any leaves taken more than the eligibility will be adjusted from the stipend.

In the event of mid-way exit from the Internship Program, this will subject to the claw back of the Stipend and any other form of expenditure undertaken by Medtronic on your Internship Program.

During your employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of employment, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your employment, you will immediately return to Medtronic all of its property, equipment, and documents, including electronically stored information.

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to provide you with an update on the successful candidates selected for internships at the Indian Institute of Technology Hyderabad (IIT Hyderabad). We are delighted to inform you that we have chosen four exceptional individuals to join our esteemed institution as interns.

We would like to confirm the following interns and their respective positions joined on 13th of March 2023.

Intern 1 - Dasari Nainica
Intern 2 - Kancharala Srinayan
Intern 3 - Thummalapalli Shreya
Intern 4 - Bakshi Abhinith

These individuals have demonstrated their passion for learning, their strong academic records, and their commitment to contributing to the research and development activities at IIT Hyderabad. We are confident they will contribute value to our ongoing projects and further enrich our academic community.

In recognition of their efforts and to support their financial needs during the internship period, IIT Hyderabad is pleased to offer each intern a monthly stipend of Rs. 30,000/- (Thirty thousand).

Thank you for your support and cooperation. We look forward to a productive and mutually beneficial association.

Sincerely,
