Dear **Likith Pawan Kagita**,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a **period of 3 to 6 months**. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated
- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

Training Agreement

Dear Kavish:

On behalf of **Deloitte Tax Services India Private Limited**, please accept our congratulations on your recent offer of employment to join the Company as **Business Technology Analyst** pursuant to the terms and conditions of your offer letter dated **August 28, 2023**. You made a very favorable impression with everyone you met and we are excited about the possibility of you joining the Company.

As you may be aware, as a condition of employment with the Company, you may be required to travel Overseas to attend a series of training sessions for a period of up to 90 days. This training will be a combination of classroom procedural training as well as on-site training to observe employees conducting similar work at various client locations. This training represents the confidence we have in your ability to be a valuable member of the practice of the Company.

As per Company policy, we kindly bring to your attention that all employees attending training overseas are required to sign a Training Agreement which will obligate the employee to repay a calculated amount of the costs associated with the training, only if the employee resigns his/her position or are terminated for cause within a specified period after completion of the training (usually between 6 to 18 months). This repayment obligation disappears after the specified period of time has lapsed.

We all look forward to seeing you again soon and having you join our team of outstanding professionals.

Sincerely,

For **Deloitte Tax Services India Private Limited**

Abhishek Kote
B.E. Information Technology
Vasavi College of Engineering, Hyderabad

Dear Abhishek Kote,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a period of 3 to 6 months. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer - employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.
- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

Dear **Ravipudi Sravya**,

Further to our Letter of Intent for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an internship on premises with us for a **period of 3 to 6 months**. Your internship on-boarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will be provided a learning curriculum as per the skill track assigned to you. The learning design would expect you to drive your learning through hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. Upon successful completion of internship, you will be part of the batch available for on-boarding as a full-time employee with Cognizant between July 2023 to August 2024. In the event of unsatisfactory performance during the Internship or non-completion of the Internship, no Internship Completion Certificate shall be issued by Cognizant. Cognizant reserves rights at its sole discretion to revoke its Letter of Intent.

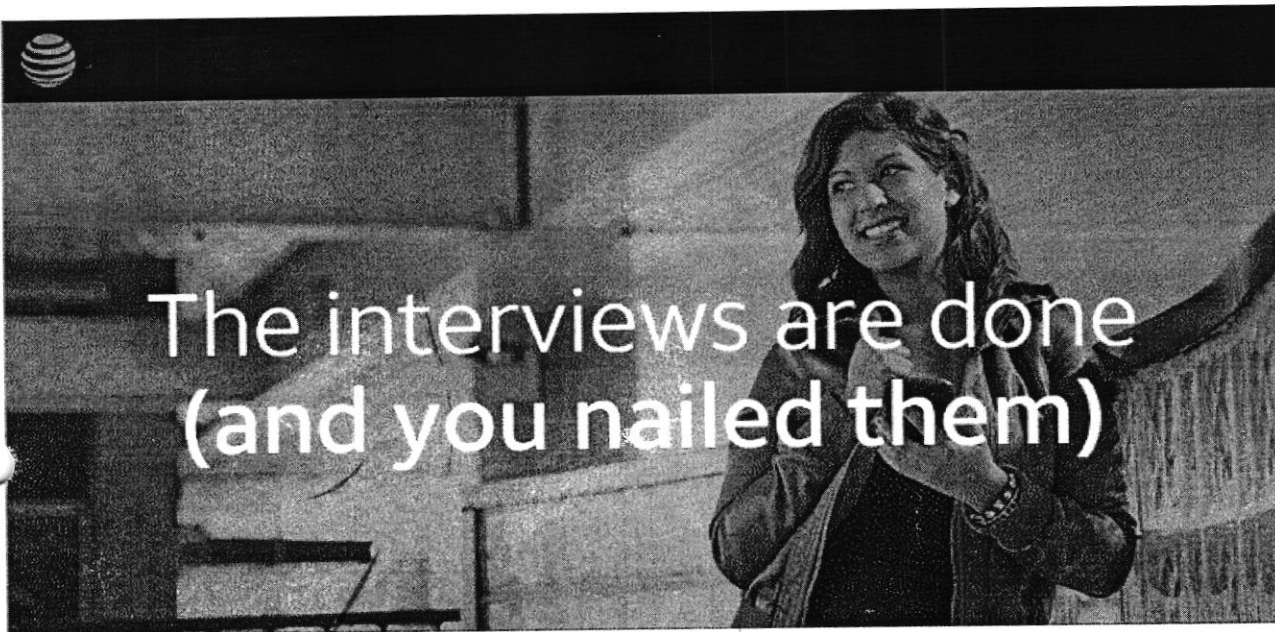

Section A: Terms and Conditions:

1. The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be cancelled if the mandatory requirement of minimum 85% attendance at office is not met in a month.
2. Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be cancelled if leaves are availed without prior approvals.
3. You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be cancelled.

Required fields are marked with an asterisk.

Vasavi College of Engineering, Hyderabad

Dear **Kothakonda Rohith**,

Further to our Letter of Intent for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an internship on premises with us for **a period of 3 to 6 months**. Your internship on-boarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will be provided a learning curriculum as per the skill track assigned to you. The learning design would expect you to drive your learning through hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. Upon successful completion of internship, you will be part of the batch available for on-boarding as a full-time employee with Cognizant between July 2023 to August 2024. In the event of unsatisfactory performance during the Internship or non-completion of the Internship, no Internship Completion Certificate shall be issued by Cognizant. Cognizant reserves rights at its sole discretion to revoke its Letter of Intent.

Section A: Terms and Conditions:

1. The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be cancelled if the mandatory requirement of minimum 85% attendance at office is not met in a month.
2. Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be cancelled if leaves are availed without prior approvals.
3. You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be cancelled.

LETTER OF OFFER FOR GRADUATE ENGINEER TRAINEE

Dear Thom Thonpaphak Reddy,

Welcome to MINIDRA! (hereinafter referred as the "Company"). Congratulations on being selected as a GRADUATE ENGINEER TRAINEE. This offer is on the following terms and conditions, subject to fulfilling the eligibility criteria (refer annexure 1) and a successful background check.

1. During the training period (includes classroom and on the job training) of 3 months, your Stipend including all benefits will be **Rs. 25,000 pm.**
2. All payments made to you would be subject to deduction of applicable taxes at source (TDS). Your remuneration is strictly confidential between you and the Company and should not be discussed with anyone not assigned to anyone in any manner whatsoever except with the prior consent of the Company.
3. You will also be issued a detailed Letter of Appointment as GRADUATE ENGINEER TRAINEE subject to you meeting the eligibility criteria as mentioned in Annexure-1. Your appointment is in accordance with the Apprentices Act, 1961.
4. Documents: Your offer is subject to you submitting all the mandatory documents at the time of joining. (refer Annexure-2)
5. Background Verification: As a part of background verification, we need your acknowledgement and authorization to undertake necessary background verification through internal or external agencies. These are including but not limited to your educational / professional credentials and other background checks. If any discrepancy is discovered after you have joined the Company or during background verification, this offer shall stand withdrawn, apart from other legal action being initiated against you.
6. If the above terms and conditions are acceptable, kindly acknowledge this GRADUATE ENGINEER TRAINEE Offer letter by digitally signing this offer within 7 days from the date of receipt of this mail and other document.
7. If you do not digitally sign the offer letter within the above-mentioned period, the aforesaid offer automatically stands cancelled. Post resignation on the above portal, if you do not join on the date intimated to you, this offer will be cancelled at the discretion of the Company.
8. You are required to register yourself as an apprentice on the apprenticeship portal <http://www.minidrahs.gov.in> within [7] days from the date of this offer or once your final semester is completed as applicable.
9. You may be confirmed in 3 months from the effective start date of your employment with the Company. During this period, a prior notice of 7 days shall be applicable. In case of voluntary resignation by the employee, your employment with MINIDRAE will be terminated without any notice or stipend or compensation in lieu of notice in the below circumstances, which you agree are reasonable and acceptable.
